**Invitation - Info Meeting Webinar**  
**13<sup>th</sup> EUROGYM & 3<sup>rd</sup> European Gym for Life Challenge**  
**May 8<sup>th</sup>, 2021, 10:00 am (Swiss time)**

Dear Gymnastic Friends,

The Swiss Gymnastics Federation and the Local Organizing Committee (LOC) of the 13<sup>th</sup> EUROGYM and the 3<sup>rd</sup> European Gym For Life Challenge have great pleasure in inviting your National Federation to participate to an **Info Meeting webinar**.

This session, in virtual form, will take place on

**Saturday morning, May 8<sup>th</sup>, 2021, at 10.00 am (Swiss time).**

No need to travel, just relax and enjoy the meeting at home! A chat will allow you to communicate with us. Of course, we'll send you the links to join this meeting in due time.

This being a premiere for such a meeting, we hope you'll enjoy it!

During this session, we will present the EUROGYM and European Gym for Life Challenge events through a virtual filter. You will have access to our concepts as well as a presentation of the region and the facilities that will be made available to you. We will also show you our promotional film as well as the choreography and music (specially created for the occasion) of the flash mob. This flash mob is a key factor and will be at the heart of the event.

We will be happy to be able to count on your presence. In order to organize this virtual meeting as well as possible, we would be grateful if you could complete the registration form by April 15<sup>th</sup>, 2021 using this link : [Registration form](#)

The session will end around noon, with a surprise... Be our guests!

See you on 8 May 2021... In the meantime, we remain,

With best regards,
